GUITAR ZITHER.

The Titles here reproduced indicate the large collection of Melodies to be found in each Album. These are very extensively used all over the World, as the arrangements are adapted equally for the COLUMBIA ZITHER, HARP ZITHER, MANDOLINE ZITHER, PIANO HARP, MANDOLINE HARP, and other Instruments of similar construction. All the Volumes of Melodies contain the Music engraved in the usual way, with the addition of String Numbers to simplify finding the notes, and also, the proper Chord signs arranged in the most effective manner, so that an attractive accompaniment may be played without any study whatever.
